p: preliminar / preliminary

Cifras redondeadas / Figures may not always add to the totals due to round off.

* The amounts have been amended to reflect the Sales and Use Tax Amnesty as has been previously reported. During the Fiscal Year 2013 closing period and as it reported on the Commonwealth Financial Statements, on a budgetary basis, such amounts haven adjusted to reflect all adjustments.

** The amount includes \$12.8 mm of Sales and Use Tax Amnesty.

**The Commonwealth has previously, reduced \$12.8 reflected to Sales and Use Tax Amnesty. Based on the General Fund results of the Fiscal Year 2013 adjustments to the Sales and Use Tax revenues such amounts have been properly adjusted.

**** Act 18, 2014 restructured the sales and use tax so that the State tax is now six percent (6%) and established a special fund to be known as the "Municipal Administration Fund" (MAF), municipalities receive the revenues attributable to the zero point (0.5) percent. The Act states that Cofina will be replenished first than the MAF. The MAF portion used to cover COFINA will be replenished once COFINA is fully covered. The excess of funds will be transferred normally to General Fund.

Under current Act 84, the relative percentages of the SUT received by CORINA, the FAM, and the Commonwealth General Fund over the course of the fiscal year have not changed from the relative percentages allocated under prior Act 18. Only the timing of the transfers has changed.

While SUT distributions for fiscal year 2017-18 have been consistent with Act 84, the Treasury Department's reporting of those distributions inadvertently continued the Act 18 regime. This disclosure modifies and corrects the prior disclosure dated January 25, 2018.
